3. RECOVERY EFFORTS

A. Settlement with USA Commercial Mortgage Trust ("USACM")

As described in prior letters, DTDF and USACM reached a settlement in early 2008 where DTDF received a \$128 million unsecured claim in the USACM estate, and agreed to share DTDF and USACM net litigation recoveries. Litigation recoveries are split 50% to DTDF and 50% to USACM up to \$20 million, and 35% to DTDF and 65% to USACM thereafter. That means to the extent available DTDF will receive future distributions from USACM both in the form of direct payment of its share of litigation proceeds and as a result of DTDF's \$128 million unsecured claim.

There were nearly \$1 billion in claims made against USACM. USACM resolved all of the proof of claims and on January 2, 2013 the Bankruptcy Court approved a schedule of all allowed USACM unsecured claims that totaled approximately \$202 million. As a result, DTDF's \$128 million unsecured claim is approximately 63% of USACM's total allowed claims.

USACM still holds potentially valuable assets that are difficult to liquidate, including: servicer advances and servicing fees on a servicer advance to Placer County Land Speculators (with at least \$1 million at stake); three term insurance policies on Thomas Hantges' life; and upwards of \$10 million of judgments it has obtained through litigation against various defendants which USACM continues to try to collect upon. The amount and timing of future distributions from USACM is unknown at this time.

B. Investigating and Prosecuting Causes of Action against Potential Target Defendants

The last remaining USACM action other than the actions reduced to judgment was against Deloitte & Touche, LLP. The district court granted Deloitte's summary judgment motions in a decision dated February 16, 2011. That ruling was appealed to the Ninth Circuit Court of Appeals. The Ninth Circuit issued its decision affirming the district court on April 22, 2013, thus ending the litigation for all practical purposes. Neither party further appealed the Ninth Circuit decision.

C. Advocating DTDF Interests in Other Bankruptcy Cases

USAIP Chapter 11 (Case # 07-11821-LBR)

DTDF timely filed a proof of claim seeking \$176,380,998 from the USAIP estate. USAIP filed a plan of reorganization that allowed for the distribution of all of USAIP's assets and the dissolution of USAIP. On November 11, 2011, the Bankruptcy Court entered an order confirming the plan of reorganization for USAIP. Pursuant to the USAIP plan the assets were liquidated and distributed to creditors in order of priority. DTDF received a Class 1 claim and a Class 2 Claim along with USACM. DTDF's Class 2 Claim with USACM was in the aggregate amount of \$224,621,519. In accordance with USAIP's plan various USAIP assets were transferred to DTDF and USACM. DTDF continues to work with USACM to monetize the assets transferred from USAIP.

Tree Moss Partners, LLC ("Tree Moss") Chapter 11 (Case No. 06-13758-LBR)

On April 27, 2007 the Tree Moss Partners case was converted from a chapter 7 case to a case under chapter 11 of the Bankruptcy Code. DTDF filed a proof of claim for \$23,116,045 in the Tree Moss case. Lisa Poulin is the chapter 11 trustee, and throughout the duration of the case made significant efforts to market and sell the Tree Moss interest in sixty-three (63) condominium units at the Marquis Villas in Palm Springs, California.

The Trustee reached a Purchase Agreement with Diamond Resorts Palm Springs Development, LLC (current owner of the other thirty-eight (38) units at the Marquis Villas) and on August 20, 2010, filed a motion seeking Court approval of the sale of substantially all of the assets of Tree Moss to Diamond Resorts. Per the Purchase Agreement, Diamond Resorts would have acquired the sixty-three (63) units for \$575,000 in cash. The sale to Diamond Resorts did not close. The Tree Moss bankruptcy case was dismissed at the end of 2013 and as a result DTDF received \$162,000 from the distribution of the remaining assets of the estate. DTDF does not expect to receive any additional recoveries from Tree Moss.

HMA Sales, LLC Chapter 11 (Case No 07-12694)

In 2007, as a result of a settlement agreement reached with HMA Sales, DTDF received \$8.9 million. On October 4, 2011, the Bankruptcy Court entered its Final Decree and Order Closing the Bankruptcy Case of HMA Sales, which means that the case was fully administered and the HMA Estate was subsequently closed on December 20, 2011. Per HMA Sales' plan of reorganization and as a result of the settlement reached with HMA Sales in 2007, DTDF was entitled to a portion of the cash held by HMA Sales and other miscellaneous assets held by HMA Sales. In August 2011, DTDF received from HMA Sales approximately \$960,000 in cash and ownership of HMA's other miscellaneous assets. DTDF continues to work to collect on the assets transferred from HMA Sales.

D. Other Recovery Sources

Colt Loans

DTDF and the two other direct lenders (“Colt Lenders”) who are DTDF’s co-beneficiaries of a promissory note secured by a first trust deed on certain parcels and buildings comprising a portion of the overall Colt project, through Connecticut counsel hired by the three, initiated a foreclosure action. In 2013 the Colt Lenders settled the collection action.

Other Loans

DTDF holds an interest in the following loans that were originated by USACM: Ten Ninety Ltd. (DTDF’s interest is 20.48%); Amesbury/Hatters Point (DTDF’s interest is 15.18%); Lake Helen Partners (DTDF’s interest is 7.26%); Huntsville (DTDF’s interest is 5.96%); HFA – Clear Lake (DTDF’s interest is .88%); Mountain House Business Park (DTDF’s interest is .3%) and Oak Shores II (DTDF’s interest is .07%). DTDF filed a proof of claim in the Asset Resolution, LLC bankruptcy (Case No 09-32824) for among other things Asset Resolution and its predecessors’ failure to properly service DTDF’s loans. The trustee for Asset Resolution and another party objected to DTDF’s proof of claim and a trial on the objection was set for March 25, 2014. DTDF and the objecting parties agreed to postpone the trial and participate in a mediation of the claim and objection.

4. DISTRIBUTIONS TO DTDF INVESTORS

The last distribution was in March of 2013 which raised the total return of investment for DTDF Investors to 18.9%. As discussed above, DTDF continues to work on the recovery of funds for DTDF Investors. Unfortunately, the timing and amount of future distributions is unknown at this time as they are dependent on DTDF’s success with the recovery efforts.

Conclusion

Overall, DTDF continues to focus on the recovery of assets and we are hopeful future recoveries will occur to facilitate additional distributions to DTDF Investors. We continue to ask for your patience, and want to assure you that the Board and the DTDF professionals are giving our best efforts to obtain the best possible recovery for you.

Best Regards,
Robert G. Worthen
Chairman of the Board
